

# NVG Meeting 2021

## Wednesday November 24

Time	Activity	Location
10:00-17:00	PhD Workshop	Zaal 552
17:00-18:00	Registration	
18:00	Dinner	
19:00	Welcome - Drinks	Bar

20:30-21:30	<b>Dobberke Evening Lecture (ZOOM/VIDEO)</b>	Lamoraal zaal
	<b>Mirjam Knörnschild</b> (Museum of Natural History, Berlin) Vocal production learning in bats – from babbling pups to singing adults (Chair Wendt Müller)	

## Thursday November 25

Time	Activity	Location
Session 1	Social Behaviour (in groups) (Chair Wendt Müller)	Lamoraal zaal
<b>Keynote Lecture</b>		
9:30-10:00	<b>Lysanne Snijders</b> Getting social with guppies: social facilitation of food patch discovery in the wild	

10:00-10:15	<b>Peter Korsten</b> Extra-pair mating as an inbreeding avoidance strategy in blue tits?	
10:15-10:30	<b>Paolo Panizzon</b> Laterality and Personality in the Threespined Stickleback	
10:30-10:45	<b>Alexander Kotrschal</b> Artificial selection for schooling behaviour and its effects on cognitive abilities	

10:45-11:15	Coffee	
-------------	--------	--

Time	Activity	Location
Session 2	Individual variation (Chair Lysanne Snijders)	Lamoraal zaal
11:15-11:30	<b>Camille Leblanc</b> Inherited differences in brain size and brain shape in a polymorphic fish, the Arctic charr ( <i>Salvelinus alpinus</i> )	
11:30-11:45	<b>Camille Troisi</b> No evidence for consistency of performance within spatial cognition tasks, and within behavioural flexibility tasks, in great tits	
11:45-12:00	<b>Chris Tyson</b> Diel rhythms of subtropical bulbuls as revealed by automated radio telemetry	
12:00-12:15	<b>Marjolein Meijdam</b> Early bird or late night owl? Individual variation in great tit chronotypes	

12:15	Lunch (take away)	
12:30-14:00	Beach Walk Time	

12:15 Lunch (take away)  
12:30-14:00 Beach Walk Time

Time	Activity	Location
Session 3	Animal Cognition (Chair Peter Korsten)	Lamoraal zaal
Keynote Lecture		
14:30-15:00	<b>Frederick Verbruggen</b> Inhibition of impulsive and inappropriate actions: A novel 'eco-devo' approach	
15:00-15:15	<b>Utku Urhan</b> Inter and intraspecific comparison of cognitive abilities in three closely related Paridae species	
15:15-15:30	<b>Krista van den Heuvel</b> Heritability and repeatability of spatial reversal learning performance in captive great tits ( <i>Parus major</i> )	
15:30-15:45	<b>Zhi-Yuan Ning</b> The cognitive mechanisms underlying the interaction of syllable structure and syllable sequence in birdsong perception	

15:45-16:15 Coffee

Time	Activity	Location
Session 4	Early development (Chair Frederick Verbruggen)	Lamoraal zaal
16:15-16:30	<b>Bawan Amin</b> The development of animal personality in a wild large mammal	
16:30-16:45	<b>Bernice Sepers</b> Experimental brood size effects on DNA methylation, biometry and personality in wild great tits.	
16:45-17:00	<b>Yuqi Wang</b> Can embryos modification of maternal signals influence their prenatal development: a study on hormones	
17:00-17:15	<b>Flavia Berlinghieri</b> The effect of light during embryonic development on laterality and personality in Western rainbowfish ( <i>Melanoteania australis</i> )	

17:30-19:00 Posters  
18:00-19:00 General Assembly (Members of the NVG)

19:00-20:00 Dinner

20:00-21:00	<b>BRILL Baerends lecture – sponsored by BRILL Publishers</b>	Lamoraal zaal
	<b>Steve Nowicki</b> (Duke University) Categorical perception and the evolution of signaling systems (Chair Marc Naguib)	

21:00-22:00 Drinks

## Friday November 26

Time	Activity	Location
Session 5	Animal Communication (Chair Katharina Riebel)	Lamoraal zaal
Keynote Lecture		
9:30-10:00	<b>Emily Burdfield-Steel</b> (University of Amsterdam) Chemicals and colours: uncovering the chemical signals maintaining a colour polymorphism	
10:00-10:15	<b>Alexander Schlatmann</b> No evidence for olfactory kin discrimination in begging blue tit nestlings	
10:15-10:30	<b>Jeroen Hubert</b> Does sound pull a mussel?	
10:30-10:45	<b>Judith Smit</b> Direct effects of multisensory pollutants on calling behaviour in frogs	

10:45-11:45 Coffee

Time	Activity	Location
Session 6	Animal Communication (Chair Emily Burdfield-Steel)	Lamoraal zaal
11:45-12:00	<b>Andrew Cronin</b> Direct and Indirect Influences of Multisensory Pollution on Sexual Communication	
12:00-12:15	<b>Hans Slabbekoorn</b> North Sea soundscapes from a fish perspective	
12:15-12:30	<b>Hugo Loning</b> The short range of wild zebra finch song and its ecological implications	
12:30-12:45	<b>Matia Muñoz</b> Similitudes and differences in the acoustic allometry of tetrapods	
12:45-13:00	<b>Kat Bebbington</b> Partner retention as a mechanism to reduce sexual conflict over parental care	

13:00 Lunch

Time	Activity	Location
14:00	Prizes	
14:00	End of the meeting	
14:00-	Time for a final beach stroll
